Thanks to all our coaches, team managers, administration, players and most of all parents who made 2014 such a great year.

Our year commenced with a strong introduction to hockey program for our new young players, who then moved on to a hook in to hockey program during term 2 and 3 led by Lisa Carruthers and her many helpers.

Our under 10 teams had a fun year, with the second year of a full field under 10 team which played their heart out. The three half field teams saw yet again lots of children having fun playing hockey, with new coach Bryce adding to our coaching group.

The under 12s had an awesome year with five teams competing, and the first year of an under 12 girls team. Four of the five teams made the finals with the shield team only just missing out in a restructured shield competition, and then the under 12 girls and Under South black team through to grand finals, with both teams coming away as runners up.

The under 14s under the overall guidance of Julian had a huge year with the three mixed team into the finals and the girls shield finishing the year with some great games. The under 14 shield team beat the odds to take out the premierships, the clubs first mixed shield premierships since becoming Southern. The pennant and south teams although making the grand final, could not quite get the flag. A great effort.

The under 16 shield girls, who have had great success through their life of juniors did it again, taking out the flag. Similar to the under 12s and under 14s four of the five teams made it to the finals with the South team through to the grand final, but it was not their day. The under 16 pennant girls pulled together well for the year, a group of girls, many new to hockey and showed that teamwork and great coaching can make a good year.

The Southern United Hockey Academy, together with McKenzies skills clinics continued to grow the skills of the Southern players during the off season, and the goalie clinics for the ever important goalies led by David Hammond and David McGregor continued the growth of the club goalies.
