## **2015 Teams**

Thanks to all the hard work of age co-ordinators, coaches, and team managers. Hockey can only happen through the hard work of these people. A huge thanks to all of you.

	<b>Coach</b>	<b>Team Manager</b>
<b>Under 10</b>	<b>Age Co-ordinator: Kerrie Robins</b>	
Girls	Lisa Carruthers	Michelle Taylor
Black	Alice Arnold	Sarra and Richard Hayes
Silver	Lindsay & Andrew Layzell	Kerrie Robins
Red	Warren & Nick Davey	Fionna Stewart
<b>Under 12</b>	<b>Age Co-ordinator: Allison Williams</b>	
Girls A	Julian Pratt, Jessica Pratt, Rebecca Christidis	Alistair Hutson
Girls Pennant	Taryn Clothier & Kirsty Gardiner	Deb Ghuliani
Mixed A	Stuart & Lisa Carruthers	Louis Carstens
Mixed Pennant	Chris Silvers	Lex Dickson
Mixed South Red	Gary Smith	Gayle Bright
Mixed South Black	Janine Naumen	Cam & Sinnead Vorrath
<b>Under 14</b>	<b>Age Co-ordinator: Tracey Tingay-Smith</b>	
Girls A	Lex Johnson	Anita Clarke & Linda Pickering
Girls Pennant	Phoebe Willcock	Aletta Boshoff
Mixed A	Michael Pearce & Joshua Ephraums	Roweena Hanrahan & Nigel Symss
Mixed Pennant	Hayden Jones & Ash Bingle	Helen Ward
South Red	Ash Jones & Jonno Stewart	Robyn Pithie
South Black	Adam & Ben Davey	Andrew & Julie McNess, Sue Langeder
<b>Under 16</b>	<b>Age Co-ordinator: Julianne Downes</b>	
Girls A	Sue Styles & Alisia Simmons	Carol Siedle & Julianne Downes
Girls Pennant	Warren Davey	Jo Wood-Rich
Mixed A	Steve Willer & Edward Arnold	Andrew McLoughney
Mixed Pennant	Con D'Cruz	David Murray
Mixed South	Mark Lambert	Stacie Morrison
<b>Under 18</b>		
Mixed South East	Shantel Blake	Pam Durrant

## **Junior Committee**

President: Peter Paice

Secretary: Anna Jennings

Treasurer: Geoff Gartley

Coaching Co-ordinator: Warren Davey

Kerrie Robins, Allison Williams, Tracey Tingay-Smith, Julianne Downes,  
Louis Carstens, Julian Pratt, Ian Campbell

Umpiring Co-ordinator: Sue Jones

## **Season Summary**

The year has been a big year for the junior section with 22 teams playing, the largest number of teams for some years. The highlight of the year was the number of new players to hockey with 100 players joining the junior section in 2015.

The results of the junior teams have also been strong, with the results not fully reflecting the hard work and enjoyment of the game.

With nine teams in to junior finals, the success has been there. Together with the nine teams in finals, quite a few teams have made a last run to the end of the season, if the season was back to eighteen rounds, things could have been different.

Four shield premierships is the greatest A grade success the club has had since its merger in 2006. This is a great achievement for all, showing the results of the hard work of not only the players but coaches and initiatives of the club such as the Southern United Hockey Academy.

In the under 10s, the under 10 black team had an undefeated season. Made up of the boys who were to train at Dendy St, their success has been outstanding. 2015 also saw Southern entering an under 10 girls team for the first time. The girls, all quite young, worked hard under the coaching of Lisa Carruthers, and the future for our girls hockey bodes well. The under 10 silver team, had a strong finish to their season winning eight of their last nine games, while the under 10 red team, made up of many very young children will continue to grow.

The under 12s have had a stellar season, with five of the six teams making finals. The under 12 Girls A team were unbeaten, while the under 12 girls pennant team, with girls who were juggling sporting commitments on Saturday morning played well for many first timers, also making the finals. The under 12 mixed A team played strong hockey throughout the season only being beaten by Camberwell and Doncaster. The win in the semi final and grand final against those teams showed how much the team has improved over the year.

The Under 12 pennant while being played around with Hockey Victoria fixtures had a very strong season finished third on the ladder, and then just so close in the grand final to finish as runners up. The two south teams, were picked to be even teams, and even they were, with the two head to head matches having a different winner each match. The under 12 red team drew the hard draw playing Mentone three times, but still came away with second place on the ladder, while the black team just missed out on the four.

The under 14s had a tough year. With six teams in under 14 the numbers were light overall, and it seems that the dreaded flu and other lurgies were out to get our players.

The under 14 girls started the season with light numbers, and when injuries and a few no shows happened it looked like the second team would need to fold. But with some great friendship groups, the under 14 girls pennant team, encouraged more to join, and with the wonderful coaching and support of Phoebe Willcock the under 14 girls pennant team finished the season strong, only just missing the top four. The under 14 shield girls did continue to struggle with injury and other sporting commitments. Their place on the ladder does not reflect the skills and teamwork of these girls.

The under 14 mixed A team, like the under 12 mixed A team, were only beaten by two teams for the season, Camberwell and Essendon, finishing the season in third. The under 14 pennant team, with three new players to club hockey, improved as the season progressed, but playing many first teams for strong clubs like Doncaster and Kew could not get the results they would have liked. The two under 14 south teams, coached by young coaches determined to show which were stronger both had a fun season, with the red team just missing the top four. Position four, five and six on the ladder all finishing on the same points.

The under 16 shield girls and mixed teams both finished in the top four, and then showed their true resilience moving from 3<sup>rd</sup> and 2<sup>nd</sup> on the ladder to premiers. For many of these children it is their last year of "juniors" and some have been playing in juniors at Southern since they were 6 or 7. With competing sporting commitments of players at this age, it can be challenging. Six of the under 16s were out for two weeks with State commitments which makes it challenging for all teams. Even with these challenge the under 16 mixed pennant team finished in fifth place, a great achievement, two years ago Southern did not have a matching under 14 pennant team. The under 16 south team also finished the season with some goods wins. The under 16 pennant girls had a very tough competition with fifteen teams in the competition ranging from Geelong to Ballarat to Greensborough to Mornington. Despite the challenges of distance and times, the team as always played and had fun.

The under 18 competition was introduced in 2015 to provide a stepping stone between juniors and seniors hockey. Targeted at a pennant/district level, the competition has been great for these boys, and Emma. With Shantel Blake and John Leighton to keep them on track the team had great success finishing a strong second on the ladder, and unlucky to lose the grand final in a penalty shoot out.

The year also had various hook in 2 hockey programs that were available for new and young players. The start of the year saw forty children join the five week hook in 2 hockey. This gave children a feel for hockey, some of these children went on to join under 10 teams, while other continued with the weekly intra club program under the wonderful coaching of Warren Davey, and Marcus Moltzer.

The club elite players have also had a stellar season outside of club hockey. With forty three players selected to play in the Junior State Championships representative teams, and Southern Sharks winning championships for Under 17 girls and Under 13 boys our representative players have been showing great promise.

The club has also had thirty players represent the state in under age competition during 2015 in indoor and outdoor teams. While a few are senior players, they have progressed from our junior ranks and it is a testament to the quality of our junior program. Not only have players represented Victoria, Ash Bingle and Nathan Ephraums were selected for the Australian Futures squad, and Nathan Ephraums has also been selected in the School Sport Australia Under 16 team for next year, while Josh Mulder and Amy Lawton have been selected as shadow players. Players from Southern have also been selected in the elite Emerging and Junior Emerging Vikings and Vipers squad.

The club could not function without our umpires. Thanks to Sue Jones for the huge task in co-ordinating our umpires, thanks to all our umpires, and congratulations to Bill Campbell who received his HV umpiring badge this year.

The canteen and the shop are something we all expect to be there, and we often give it little thought. The work put in by Greg in the shop is continual, thanks Greg. For Tina and her band of canteen workers also a big thanks, a thanks to all the parents also who have completed their canteen/bbq duty.

## **Best & Fairest and Team Award Winners**

<b>The Phoebe Willcock Under 12 Best &amp; Fairest Girl</b>	Josie Lawton
<b>The Ken Walker Under 12 Best &amp; Fairest Boy</b>	Will Carruthers

Joshua Ephraums	Under 13 Boys Sharks

## **Player Development**

The club has continued a strong player development program for juniors of all skill levels.

The successful Southern United Hockey Academy has continued during 2014-2015 with a slightly different focus. Players who are part of the Hockey Victoria Junior Academy did not take part in the Southern Academy giving more players the great opportunity that this high focussed quality coaching gives.

The McKenzie's skills clinics were also available for all players allowing every player to receive extra coaching over the break. For the first time ever McKenzies goalie skills clinics were offered to the junior goalies of the club.

During the season the goalies also continued to attend specialist training regularly. The sessions proved that goalies are a different breed, and they clearly showed having a huge amount of fun while working incredibly hard is definitely possible. Massive thanks to David Hammond and David McPherson for the effort they put in to keep our goalies up to scratch, also thanks to the hitters who are essential for goalie practice.

## **Umpires**

Many of our juniors and parents have helped out with umpiring this year, under the direction of umpiring co-ordinator Sue Jones. Thanks

Evie Stansby

## Coaches Reports

### Under 10s

#### **U10 Mixed Black**

This year, the U10 Black Mixed had an outstanding year. With only 8 goals scored against, its safe to say defence was pretty strong.

Henry and Constantin had brilliant skills, Henry particularly in getting the ball to the defenders, and Tonzi in running the whole field. The forwards also had ultimate strength, scoring 92 goals during the season, 24 more than the next best team. George usually taking on the centre forward role came out as second highest goal scorer of the competition, with 25 goals, and Marnix playing on the wing has a close 19 for the season. Isaac's don't stop attitude had him start the season in defence and work his way up to the forward line and then drop back to a half, and managed to sneak 16 goals in the mean time. James and David also had roles to play in the game, usually playing inner/wing roles their work was went unnoticed, James eagerness to play and David's silent killer mode played a part in getting the ball into the net. Mac usually took on a pretty solid role at Centre half, always backing up the forwards, and ran back to help defend.....very fast!! Matteus joined us during the season, and for someone who had only played hockey once before, took to a stick very quickly and showed a solid knowledge of the sport.

The boys did also finish up undefeated, with hard work and effort put in at training, and this work was well supported by the parents on the side line, and especially manager Sarra! I am very proud of the boys, to see how much they improved and their love of hockey increase every week. Big thanks to Peter Paice and Ed for helping out when I had my own hockey to be at.

I hope to see the boys in the future playing hockey.

Alice Arnold

## **U10 Mixed Red**

The start of the season saw a fledgling team that came together with only a couple of experienced players. The core of the team was their ability to have fun while training, playing or just messing around. We did our best to help understand the game better and improve their skills over the season and we saw a vast improvement across the whole team. Taylor and Brylee were very dangerous, especially when running into the attacking circle. Stirling concentrated on being a high strike forward and was rewarded with a few goals from being in the right place at the right time. Benji developed a liking for the wing position and went from strength to strength as the season progressed. Tamsyn was rotated into a couple of positions until we discovered her talent for defending and she was ably assisted by Ryan who may have been quiet but had a very cheeky smile! Eddie was a great roving defender that was constantly in the thick of things and he was also supported by Tim who was also noted for his ability to cover ground. The team was bolstered part way through the season by the addition of young Mack who plays hockey exactly the same way his father still does, a fierce competitor! And the arrival of Elise and Tom, a brother and sister that joined late. Elise was going to join, but Tom saw how much fun she was having , so he joined as well.

The team grew and developed well. We hope they had as much fun as we did coaching them and we really look forward to seeing them in the following seasons as they progress through.

Warren & Nick Davey

## **U10 Mixed Silver**

We started off the season well with a win in our first game but then we came across what ended up being some of the top teams. Whilst the games were a bit tougher, the kids really stuck together and knuckled down at training and we started to see some real improvement. Each week they each worked on specific parts of their game to improve and began to play a great brand of hockey and most importantly enjoyed playing together and formed a real bond amongst the team. The amount of improvement in this group of kids over the year in all facets of their game is a credit to them. You can actually see them thinking about making the smart decisions on the field. As coaches it is exciting to watch a group of kids improve and develop into hockey players before our eyes.

With most of the parents of the team being hockey players, they were a great support to the team and were the loudest supporters in the U10 comp without a doubt. The 3 little team helpers/mascots/lolly stealers were also a great addition to our team – thanks girls!

We'd like to thank Kerrie for managing the team as well as the U10 group, she has done fantastic job all year. Also Dan for helping out at training and game day as umpire/coach when required and Mike for umpiring.

The team finished third at the end of the home and away season which was great result considering the lack of experience and age of the group. We were extremely proud of how they played in the end of year round robin competition and were the only team to finish undefeated.

Go Silver!

Lindsay & Andrew Layzell

### **U10 Girls**

For the first time ever Southern United entered an all girls under 10 team we had a mix of complete beginners and some that had done under 10 mixed and Hook into hockey. Many of the girls were only 7 or 8 years old and we came up against some big teams from Camberwell, Mentone and Bayside. The start of the season was played like a bee swarm but by midway through the season we had started to spread out and by the end of the season we were using the whole half field!

Training was always good fun with lots of games and drills. Kinder Surprise's were hotly contested during our knock out games.

Big thanks to Michelle Taylor for managing the team and all the wonderful parents who provided cheering, hugs, oranges and lollies during the season. Great season girls watch out next year here we come.

Lisa Carruthers

## Under 12s

### **U12 Mixed Shield**

The U12 shield team was a team with a great blend of natural talent and fierce determination. They went through the season winning 11 games only losing 3, and hitting 52 goals! The side was made up of a mixture of boys and girls who worked as a team to achieve development and teamwork. The attitudes and behaviour of all of the team was exemplary, a credit to them all.

The team worked on increasing their knowledge of the basics of hockey, both technical and game based. We developed a passing game with emphasis on the switch of play and quick ball movement.

We also had the opportunity to bring players into the shield team from the pennant team to provide kids with experience, which I am very grateful for.

Thanks go out to all of the children who played in the shield team throughout the 2015 season. Thanks also to the parents for their support and encouragement along the way. A special thanks to Louis Carstens for his support as team manager.

Hopefully all of the players will continue to play on in 2016 and beyond as they will form the basis of the shield teams for years to come.

Bring on 2016!

Stuart Carruthers

## **U12 Mixed Pennant**

The U12 Pennant team showed great courage and performance all year. We started the season with early wins before our first draw. The kids rallied and continued to get the wins. After mid season break the team started off slowly with a draw, but yet again pushed on to get 8 wins 1 loss and 2 draws. First final we started off slowly letting an early goal through. Half time score was 2-2 with the game in the balance. Then the Pennant side shifted into 3rd gear and outpowered their opponents and winning 5-2 against Greensborough.

The Grand Final was fought hard with Southern getting the first goal. Half time scores were level, with all the play we could not convert conceding 2-1 to Camberwell.

The Pennant kids had a great season and have shown great skill throughout. I'm proud of all of them, They worked hard and did their best!

Thanks Lex, Allison and the other parents for all the support throughout the year!!

Chris Silvers

## **U12 Mixed South Red**

### ***What a great season by the under 12 mixed RED team!***

With most of the team only playing their first season of full field hockey the season started slowly with the basics being applied;

Understanding:-

- Full field positions
- The rules both existing and new for the season
- Basic attacking and defending of short corners

Learning:-

- How to hit the ball
- Trap and basic dribbling
- Setting up defensive "walls" in attack

The playing group developed with players slowly slotting into their preferred positions. It was clear to see that all players were improving each week. Everyone gave 100% at every game and with the enthusiasm of their supporters, we got the opportunity to sing the club song eight times and found ourselves in second place at the end of the season.

A position we all need to be extremely proud of.

Well done to all. Enjoy your break, remember to practice your basics skills, always stay in your positions during the games and give your best at practice and in the games.

Gary Smith

Ashton - our sensational goalkeeper, who got the team out of trouble on a number of occasions. He'll have a lot to say when he finds his voice!

Lucien - continuing on from 2014 to make the full back position his own. Opposition players found it extremely difficult to get past him.

Megan - a tough full back who worked extremely well with Lucien.

Nikita - started the season playing on the wing, then had a go at half back and really excelled. He is a tidy and determined player.

Edward - Worth two players on the field. Always put in 100% and made great runs through the centre from his centre half position. Always dangerous, especially to cowboys, keener on his tomahawks than a band of indians on the warpath.

Thomas - Passionate player who would fit in wherever he was asked to play, as long as it was near the ball. Always put in 100% and has improved greatly over the season

Elli - The team captain for the season. Great to have her on the team. She always works hard, overcoming any and all injuries. Prefers the left side, except when the ball is on the right.

Lucas - First year hockey player who improved his skills immensely over the season. Was just starting to really get into the right wing position during the season, but a nasty injury knocked his confidence. Hopefully he can recover from this and will be back next year.

Bryn - Another player who is very versatile and will play anywhere he is asked. He filled in for Lucien a number of times as a back, and has done well at centre forward too. He has also improved greatly after his 2014 full field debut

Luke - Another rookie who was one of our runners and tended to play as an inner. However, he started to do a great job at left wing late on in the season. Hopefully he will continue his hockey as he has shown great potential, realised with an awesome goal.

Ruby - She had no choice but to improve her skills over the season, being a Jansz child. She was an irreplaceable member of our team, scored a few goals and played a great half back position

Hugo - Joined us half way through the season and only played a couple of games before being lost to a rib injury (nothing to do with hockey), but showed some potential in those appearances

George - Helped us out later in the season when we were struggling for numbers. He mostly played at centre forward, scored some great goals and was a pleasure to watch. Can't wait to see him playing again next year. He has an insatiable appetite for goals and worked really well with Edward.

Eamon - Another player who joined us really late in the season. Would love to have him again next year as he worked really well with the team in a short space of

time. Pity he'll be going to U14s next year. Now knows that only goalkeepers hold the stick in the right hand.

Finally, a big thank-you to Max and Kaelin (spel?) from the black team for filling in with the last couple of games.

### **U12 Mixed South Black**

The Under 12 South Black team finished 5th for the season and were really close to getting into the finals. It was not uncommon for us to have a win against the team at the top of the ladder and the next week lose to a team that were well below us. We had the skills and the drive, we just needed to have a bit more consistency. The team was a team of all boys even though technically a mixed team and many of the team still under 10. This brought with it some challenges in terms of boisterous behaviour and short attention spans, making for some interesting training sessions for Janine. For many it was also their first season playing full field. All in all a great effort by the team, there is some great potential in the team which will be good to see develop over the next few seasons as they gain more full field experience.

Cam Vorrath(TM ) for Janine Naumann

### **U12 Girls Shield**

Firstly I would like to thank everyone who helped make our season one to remember. Very rarely does a team complete a season with a 100% record. Especially Alistair Hutson our team manager who worked hard to ensure we all knew where and when as well as all the admin each week.

The pre-season started with so much promise. With so many girls really keen to play the club needed to form 2 girls teams. After several strong training sessions the coaching group settled on 13 maximum in each team. This meant occasionally we had to call upon the help of a few to ensure we had a full team on the park each week. Thank you to Elli, Loretta, and Ruby you played really well.

The season started in earnest with our longest drive to take on Yarra Valley. The girls struggled at first with our new playing style and we were lucky Molly O'Neill covered so much turf and our defence was solid and repelled all Yarra had to offer. Hannah showed the way with some great vision on the ball with some great passing play. 2-0 was one of our lowest scores for the season. From then on the girls went from strength to strength dominating all before them.

Our game plan was Attack, Attack and Attack and if they scored we would score more than them. Remarkably Dom and the defence only let in 5 goals for the whole year (including the finals). We beat teams who wanted to be 2nd 6-0 and 9-0. We had to change what we were doing in the 2nd half of the season to focus back on playing hockey. Goals are good but how we score them became more important. Our scores dropped off but we played some great team hockey and learnt more about how to play the game. We discovered our left half was actually a gun right wing (Jess) with a great turn of speed and great vision to pass to team mates in the D. One of our top strikers was actually a left half in disguise (Shayla) with great

cover defence and strong passing skills. Molly discovered which side of the field was right and with her pace, could out dribble any defender and still have the engine to sprint back to our circle when the opposition tried break our defensive line with long plays. Spins, jinks, V drags and a few back stick hits were always display when either Emily B and Laura had the ball. Even with all this individual skill on display all the midfielders / forwards developed a strong passing game as we tried to work our way around 11 girl defences each week.

After a few games we decided to do away with 2 FB's which meant we had even more attackers. Teams did not know what was going on. Camberwell soon found out when our youngest player Puck snuck in 2 quick goals playing high striker in front of the 3 normal strikers. Where did she come was the call as Puck slotted her first goal passed the GK. Bewilderment at her 2nd. We played this system for the rest of the season. Even when Doncaster put a high striker in our 25. Emily Stewart and Dom behind her refocused our defence to allow our attack to regroup and slot some very smart SC goals away. With the coaches rotating off the bench with instruction each week everyone started to really understand space, teamwork and looking up and making smart decisions. We were unstoppable. Our strikers upfront were hungry for the ball, pressing defences into turnover after turnover. Ile, Evie, Puck and Shayla with Hannah, Laura and Molly behind would not let them out. If they ever did, Em, Em, Ari Jess and Elise mopped up the ball and sent it straight back into attack.

The finals arrived and we had our team was set. Then we had a clash - we would lose one full back for half a game. We could mange that, we still had Emily S. The morning of the game came with the news Emily had been injured at school and could not play. Half time came, we waved Elise off so then we had no full back. Then Yarra took their GK off and put on a high striker to get some goals back. They had not reckoned on Ari Hutson. Orders from the coaches: Ari, follow that striker and find out all about her - ask as many questions as you can. She never touch the ball, Ari never left her side and yes we now know her favourite colour and where she lives etc... (Coaching point: always know you players strengths). Should not forget to mention the great work Laura and Shayla did in covering the half line while Emily Butler held the middle. Hard running coving players and gaps.

The team could only play this way because they knew we had a great GK behind them. Dom, who played for the U15 Sharks this year repelled nearly every shot and was always ready to be called upon especially in the finals when Yarra and Camberwell threw everything at us. Although Evie seemed to like it a little too much when we played Footscray so Dom needs to watch out. Lucky Evie had a mentor behind the net helping her (Dom)

Grand final day arrived; face paint was donned by all (even AI). We were ready. The team went out and did, as they had done every week, dominated and controlled the game from start to finish. Chances not quite put away (mainly due to some great work by the Camberwell GK) and goals not given meant the score line did not really reflect how well the girls played. Special mention must go to Ile who

took a lifted ball right on her cheek early in the 1/2 half. Even though she was sore and worried about the ball being lifted again she went back on and made some great position and set up some great chances in the 2nd half. Really epitomising how determined all the girls were to bring home the flag after such a great season.

The final whistle went and we had done it? Premiers as well as learnt so much and made some great friends. Bring on 2016

Thanks for letting us coach you from Julian Jess and Bec, we had a blast.

Julian Pratt

### **U12 Girls Pennant**

Our U12GP started off with a rough few weeks of the season. Most weeks we struggled to find numbers and often relied on the help of the U10 girls.

We had our first victory in round 3, which both excited and motivated the girls to keep on playing their hardest. Although not sure on the song in the beginning, with the additions of some valuable new members to the team the girls began to quickly pick up the words to the song as we got onto a bit of a winning streak. Many of the girls tried a variety of positions and roles within the team which was always exciting and interesting to watch. Although the last few games of the season were challenging and not the results the girls and we were hoping for, we finished off the home and away season with a win and cemented our place in the finals qualifying 3rd. The girls played amazingly in the final against Kew and which was one of our best games of the year. They worked hard as a team but sadly went down to a stronger team.

Overall each and every girl in our team improved out of sight and it was a pleasure to watch them achieve something each and every week.

Memories which Taryn and I will remember the most is of course the amazingly talented rapping from Isabella, the sassy, yet hilarious comebacks from all the girls and many laughs along the way.

Congratulations to all our girls for their effort and determination throughout the season, we hope to see all your faces at the club in the future!

Kirsty Gardiner & Taryn Clothier

## **Under 14s**

### **U14 Mixed Shield**

The Under 14 Shield side set themselves a task of making finals and asserting themselves as a real contender for the flag in 2015. With very few easy games this year we knew that this would be an achievement in itself. We developed a game plan that utilised strength in the middle of the ground before being able to find runners in space out wide. And with the top 4 spots being so tight this proved to work very effectively for the side against top and bottom sides alike.

The hard work the kids put in really showed as the standard of hockey improved greatly throughout the season. I was really proud to see both senior players and less experienced players implement many of the things Josh and I had emphasised through the preseason and trainings and I look forward to seeing this group develop over the years as they move through the junior grades and into seniors.

Congratulations to the players who made representative sides and to the team on their final position on the ladder. On a different day we may well have progressed through to the grand final to take on Camberwell and that should be the goal for this group in Under 16's in 2 years time.

Thank-you to the parents for their support, to Roweena for being a very capable team manager and to Josh as an excellent assistant it made it a very enjoyable season

Michael Pearce

### **U14 Mixed Pennant**

The boys started the year very timid and with little to no club hockey experience. With a little bit of work they started to come together as a team and we started to improve each week on a steady basis. The boys were eager to learn, play and have fun, we just struggled some times to get these things in the right order and the right balance. Their efforts at training improved each week and we saw the results on the field. We may not have had the results like some of the other teams, but we

came together and at times played some very good hockey. There are too many special things to mention but everyone took something out from the season as a special memory.

With many jokes had throughout the year and some skills being learnt along the way we took it to the top teams, and as coach of such a great group I would like to thank them for the time and effort they put in throughout the year and also teaching me some things along the way!

Hayden Jones

### **U14 Mixed South Black**

Coaching the under 14s this year was very enjoyable. Adam and I saw huge improvement from each player. They started off as shy and unsure players and have become players who work as a team, players who are tough with the ball and players who aren't afraid of being beaten or to go out hard.

This team has had its moments resulting in people running laps, repeated requests for QUIET, or specifically ZACH AND AIDEN RUN A LAP!!

Never the less, we all had our great moments. With spinning competitions to flicking competitions. Nothing beats the moments when we saw these players scoring goals. For every person that scored, you could see their faces glowing.

One of the best things we heard from this team all year was from Nicko when he said "scoring a goal is the best feeling in the world, everyone should get one!" .

These kids are great players and was a pleasure coaching everyone of you and we hope to see you on the field again in the future.

Ben and Adam Davey

### **U14 Mixed South Red**

With the season fast approaching Ashleigh and I had to teach these guys our game plan and a lot of basic skills [hitting, trapping and working together as a team].

Our first week we played Bayside and dominated the game, controlling the ball for at least 80% but there was only one problem and that was we couldn't hit, slap or push a ball past a goalie, who had only learnt how to be a goalie that evening, drawing 0-0.

Weeks continued on and we soon found our self with our first win of the season against Frankston, the boys were pumped, they had finally won their first game of the season. The goals going to Josh Madden, Josh Mathew and to awesome goals going to first year player Hannes de Beer.

Round 5 saw the Southern vs Southern game. Winners taking the first pick of the pizzas. The boys wanted this win bad for two reason. One was, their second win of the season and two if they won 5-0 jono would pay for the pizza. Luckily enough for him they dominated the whole game and won 3-0 with the post being hit twice. Making us the better Southern team and leaving Ben and Adam speechless with

how out played and out coached they had been. Goals going too Josh Madden, Lucas Pithie and Jayden Rowan, with a clean sheet for Josh Osadchiy.

Round 9 saw us take out a nail biting 1-1 draw to Mornington and hurting our chances of playing finals. This also meant we had now played everyone once and were sitting in 6th place, 4 points away from the top four with a very hard run home.

The following week we had to play bottom place Bayside again. The boys knew that this was a good chance to get on the score sheet and begin the run to finals with a win. The only problem someone forgot to tell them to score more than one goal making it a nervous and frustrating 1-0 win, with the winning goal scored by Rubben Figueira

Round 12 showed us that when we play smart hockey we can beat anyone. As we comfortably dominated Frankston 2-0 with goals going to Josh Madden, and a goal going to a kid that everyone would never of thought he had it in him Lachlan Eddies.

Round 14 (THE REAL FINAL) Southern vs Southern the winners would finish higher on the ladder and be crowned the better Southern team. The boys started flat and let Southern black get a soft early goal (umpires played a little helping hand) but the red team didn't want the last round of the season to be a soft lose. Half time had been blown and the amazing coaches had to refocus the boys and get them to play the best hockey that they could play. The 5th minute of the second half showed us that the kid that had done the unthinkable in round 12 scored a magnificent goal that he will never ever forget. With time fast running out and the scores locked 1-1 one of our go too guys Josh Madden decide that it was time to end the game with an awesome goal coming off a short corner. The season being drawn to an end with a win over the Southern black team, allowed us to finishes 6th, 9 goals out of the 4.

Special thanks to Robyn Pithie for being an amazing team manager/team doctor, also thank you to the parents for bring their children to cold,wet trainings and games throughout the season. Finally a special thank you to the boys for a great season, we had lots of fun, and all the best for the future.

Jonno Stewart & Ash Jones

## U14 Girls Shield

Had 23 players play in the team

Lost the 1st 5 games to Nil, but then the first win was 4/0 over TEM's (I can still hear the screams of delight after the girls scored the 1st goal)

Scored points in 6 of the last 9 games with 4 wins & 2 draws.

Finished just over a game outside the top 4.

Someone got lost on the way to the Yarra game by going to the Yarra Valley!

The girls have a sensational heart, after losing to Footscray 7/0 one week then backing up to play them again the next week with only 9 players (10 with Liv helping out for half of the game) the girls hung on to lose only 3/0.

Everyone improved throughout the year...

Every single game no matter how many players we had the girls gave 100%

Lex Johnson

## **U14 Girls Pennant**

We have had a wonderful season after a shaky start with barely enough for 1 team let alone 2 under 14 girls' teams.

Thanks to the hard work and persistence by Warren Davey, Peter Paice, Anna Jennings, Linda Pickering, Tracey Tingey Smith and Allison Williams we filled our team with under 12 girls for the first 4 weeks and ended up having 3 brand new players start on round 5. Many thanks to all the lovely under 12 girls, Laura, Anna, Megan, Puck, Ellie, Kate and Dominique who helped us out along the way by doubling up on Friday and then playing again on Saturday mornings.

Thanks also to Lex for all his time and effort with both the shield and Pennant and for his support.

The girls all gelled immediately and started to build up some skills, learn to play the game and in the end to play as a team.

Enormous thanks must go to Emma and John Leighton coming down every week to help coach the goal keepers as we didn't have a regular goalie. Huge thanks to all the girls who put their hand up to play goalie.

Having Jo Campbell assist before she went travelling and then Ken Walker coming to training and some games along with Peter Paice who stepped in to assist on game night once Caitlin started to play was fantastic!

Huge thanks to Aletta and Ben Boshoff who managed the team.

We ended up with 4 wins, 6 losses and 3 draws. The most satisfying draw was out at Greensborough where the girls battled thunder, lightning and pouring rain playing the second top team at the time!

All the girls improved out of sight but the stand out player was Carien with her persistence and skill that held the team together.

In the back line we had Tia and Georgina who showed lots of courage in defence especially as both have ongoing knee problems. Cassy had some outstanding games in defence and was an awesome goal keeper for 3 games.

In the half line we had Carien as roving centre half come striker, Maia who only came in at round 5, at right half who ran down every player and ball and was fast out defending short corners. Zara and Lara shared left half and sometimes had a spell on the forward line. Both great at listening to instructions from the side lines.

Indigo came in as a complete beginner for few games and showed enormous potential with her running and strength on the ball. We hope Indigo will get over her injury and come and play next year.

Lola and Mia found their feet as wings with the occasional spell as centre forward until Caitlin came along and owned Centre forward. Lola and Mia worked hard getting to the post and Caitlin learnt how to lead for the ball.

Izzy Hibbs turned up to summer hockey skills and from day 1 showed guts and determination and worked her way into a solid right inner being able to read the play and mark players along with running back in defence.

Izzy Bennet smiled the whole time and even though she said she couldn't play at the beginning developed into a wonderful right wing who carried the ball, listened for calls to pass across to players or across goals and even scored 2 goals on the post.

It has been a pleasure and a privilege to coach such a wonderful group of smiling, chatting girls who sang the song (the few who knew the words) even when we drew.

Keeping the girls together has proved invaluable for our club.

Thanks to the support of the Junior Committee, age coordinators and especially the parents who drive their girls around Melbourne often in peak traffic to allow them to have fun every Friday night and believe me it has been lots of fun.

Regards,

Phoebe Willcock

## **U16 Mixed Shield**

The SUHC U16A team won the Grand Final, 4-2, defeating the Minor Premiers Footscray. The team played an outstanding game of hockey, creating numerous scoring opportunities through excellent team work. The team never looked in trouble during the game, with every player stepping up to the challenges of playing finals hockey. The team's goals were scored by Max Dalton, Sam McLoughney and Nathan Ephraums (2), with strong saves made by Alice Arnold in goals for the team.

As well as winning the Premiership, one of younger players, Brad Marais, also took out the honour of being named the recipient of the Mike Craig Medal (Under 16 Best Boys' Player) in the Hockey Victoria U16 Shield Competition.

The team saw a large number of players moving through the team throughout the season, with seventeen players making up the main team. The team consisted of: Al Hart, Rhy Dyball, Cooper Green-Shiel, William Campbell, Felix Harvey, Mitchell Stutterd, Alice Arnold, Pim Okhuizen, Nicole Amiet, Brad Marais, Max Dalton, Simon Rodgers, Sam McLoughney, Ben Rogalsky, Josh Mulder, Nathan Ephraums, Tom Harris, Andrew McLoughney, Ed Arnold and Steve Willer.

Steve Willer

## **U16 Mixed Pennant South East**

The 2015 Pennant South East Mixed team were a highly competitive unit with a squad of over 25 players circulating through the team sheets. The backline was a dynamically changing group with fast thinking players, learning complicated tactics and various ways to change their structure and manipulate the opposition. This proved to be vital in the teams amazing 0-1 result against top of the ladder Casey. Despite improving dramatically as the season progressed, the team were only able to achieve a 5th place finish, narrowly missing out on a finals. There were many star performances and displays of individual athleticism and creativity with a healthy blend of team work and great linking up. Often coaches and spectators would remark at the speed of some individuals and composure and vision of others.

Overall the 2015 season has seen a dramatic rise in skill of all players in the Pennant U16 team and It has been my pleasure to be their coach. I wish the boys all the best in their future hockey careers.

Con D'Cruz

## **U16 Mixed South**

The Under 16 Souths, notwithstanding modest results had a fantastic season. The team had a great "esprit de corps" and I think the friendships made during the season will endure. Highlights were the improvement of all players on the list, the high number of players that were promoted to the pennant team and performed well and a number of the boys playing their 1st seniors game. I thoroughly enjoyed coaching the boys this season and wish them well for the remainder of their Hockey careers.

Mark Lambert

## **U16 Girls Shield**

The U16G Shield team started off the season with a game at Drouin vs Gippsland. It was not a good start for their coach who couldn't get there due to work commitments so my stand in assistant coaches, Alisia Simmons & Lea Harris, took up the call for help and went down there on my behalf. A great start with a 4-3 win. We then had a couple of losses and a draw before our next win vs Doncaster 5-2. At round 5 we were sitting 6th on the ladder. An unfamiliar position given in 2014 the girls were top of the ladder all season. From round 6 we started to hit our straps with 4 wins in a row. Round 9 we had moved up the ladder to 3rd position which is where we finished after the home and away rounds.

Our last 2 games of the season saw the girls play Kew & Waverley, who had finished 1st & 2nd respectively. I knew if we could beat both of those teams we would hopefully have the mental edge in the finals. We beat Kew at Kew 2-1 with a penalty corner in the last minute of the game and we beat Waverley at home 2-1 in a hard fought match.

The finals series saw us playing Waverley in a replay of the week before. With lots of support from the crowd, and much yelling from myself & Alisia, the girls played a gutsy game and pulled off a 2-1 win.

The grand final would be against Kew which was always going to be a tough match to win with their fast running forwards. With the pregame talk over, the music was turned on and the girls were getting pumped to play. The girls started off a bit nervously. Kew scored twice and we managed to get 1 back by half time. We had Brian Paxton, the ladies first's coach, come and say a few words to the girls at half time and I re-iterated our game plan. The girls went out in the second half and played their hearts out. At full time the score was 3-3. Off to a penalty shoot-out.

As we had practised shoot-outs over the previous 3 training sessions, I had the confidence that the girls would perform well. We scored in 3 out of our 4 attempts, and our awesome goalkeeper saved all of Kew's shots. The girls hadn't realised that they had won until we all came running over to celebrate. We had pulled off the grand final win 6-3 in the end. An awesome achievement for the girls to get a back to back premiership in the U16G Shield competition.

Lots of people to thank:

To all the parents for driving their children to training and games, thanks for all your support and dedication to the enjoyment of the season.

Thanks to Julianne Downes and Carol & Mark Siedle for team managing throughout the year.

To the junior committee for all your efforts during the year to make entering a U16G Shield team possible.

To Alisia Simmons & Lea Harris for helping on the nights I couldn't get to the games on time and to Jess Pratt for helping on training nights.

A very special thank you to Warren Davey in helping to coach and run training sessions even when the girls were doing our heads in.

Finally, I would like to thank the girls for all their efforts at training and games throughout the season. Lots of fun to help them try and improve their hockey skills & knowledge. For those girls who will play juniors next year I hope we can continue to have fun in teaching you new things. For those girls who have played their final junior season, I look forward to the possibility of playing some games with you in the senior ranks, or watching with pride as you play in the Premier League in 2016.

Yours in Hockey

Suzie Styles

U16 Girls Shield coach 2015

### **U16 Girls Pennant**

An awesome group of girls that were dealt a poor hand by the fixturing for this season that saw them travelling all over Melbourne for their games. It was a credit to see how well they all banded together to support one another as they battled away each week!

Special mention to Ari who donned the pads when we didn't have a goalie and she was amazing! We have a star in the making so look out! Madie and Cerys developed their defensive craft to a whole new level and did a fantastic job each week in denying easy shots at Ari. One of our new discoveries was Esther who can run really, really fast! We have a great new club member there as she is one of the many that played Seniors as well. Ella was a dominant force in the middle of the ground, ably assisted by Steph who took over when Ella was playing Shield. Steph was another that improved enormously as the season went on. Another new member was Mietta and she was another runner that took on board all of the instructions and executed them brilliantly. A name to watch in future years is Fiona, a player with an amazing amount of determination that never gave up! Nicola was a force to be reckoned with and showed incredible improvement this year as was Zhara who was always worried that she wouldn't have enough energy to help the team, but was never the case! And most importantly, the captain of the team, the on field leader that never wanted the title of captain but led with her determination on the field, the willingness to give everything she had and then find a bit more and the one that was always trying to make me smile with her off field antics, Tayla.

It was a hard season for the girls but they gave it everything they could and they seemed to learn a little bit from their coach, but importantly, enjoyed each other's company and came together as a team.

Well done ladies, it was a pleasure to be involved with your team and I am proud of you all!

Warren Davey

## U18 Mixed South East

Firstly I need to thank all my helpers...

Pam - You are amazing!!

John- For being my mentor, bench rotator, co-coach & making sure the boys don't suck & know when they do!! Also making sure we always had the good cop/bad cop roles well balanced! Glenn- For umpiring & your guidance.

Michael- Stat Man, ball reclaimer & security officer!

Murray & Mark- Filling in as Stat man!

Renz- For the incredible coaching session! The boys & I really appreciated!

Steven (Buddha) - For your help coaching & ability to fire the guys up!! They absolutely love having you around!!

Janine- For your assistance at training, especially your fantastic technical advice!

Chris Abaniel - For coaching in the holidays when I needed to turn my brain off!

Tas - For your assistance coaching. Being able to articulate what my brain is thinking, but my mouth is never coordinated enough to say! You've been a massive help & I know the team learned a lot from you! Also for your bench rotation expertise!

Anna - You are also amazing!! (Secretary extraordinaire)

Ash B - For filling in when Em was away.

And a huge thank you to an amazing team! How lucky am I - My first year coaching and I managed to nab a group of 18, enthusiastic, tenacious, fun hockey players!

It was quite an overwhelming start in pre-season, with what was potentially 20 people looking to play in the side! By the start we had 18 definitely! As you can imagine, only being able to take 16 each week, it has been somewhat a logistical nightmare! But the boys have been extremely understanding.

Interestingly, with so many in the group... We only had 11 for our first game against Gippsland Bulls! Being a 9:20 game out at Drouin, I can't fathom why so many were U/A?!!

It was a very tough game. Gippsland were an incredibly strong team & played a

system that we were not prepared for. They caught us off guard. Although we fought hard, we were outplayed, going down 4-1! It set our bench mark for the season & I was 100% determined the next time we played them we'd be ready!

Uncertain as to what the rest of the competition would be like after that first round... It was a great relief in our second game to get up 10-1 over Knox!

At the end of the second game, the 18's got their first glimpse at how competitive I am! When I reprimanded them over letting that 1 goal in! This was to become more obvious in the coming weeks with too many "close call" games!! \*pretty sure the whole of Prahran have now heard me yell obscenities!

At training- I tried to incorporate ball control, ball movement, setting a press, lateral movement, linking up, lots of high intensity drills & always finished with a game!

The things we worked on at training, started to really show in round 5. Where we got over a very frustrated Waverley 5-0!

By round 7- the team were showing some really positive game smarts, linking up really well to win 4-2 over Elgar red!

Unfortunately in round 8, the team and I learned a very valuable lesson. We drew 0-0 to Doncaster. It felt like we had taken 7 steps forward 8 steps back. As upsetting as this performance was. I realised I couldn't take my foot off the accelerator for a second! And the boys realised one good win doesn't mean the next one will just happen!

Round 9 was a good contest between us and Frankston. Frankston were a fast, skilful team. We were 1-0 down at half time. In the second half we regained control and put 2 in the net... Unfortunately we just couldn't hold our lead, allowing them to score an equaliser just before the final whistle. (This is not the score on the ladder! Note: abide by the rules!)

Round 10! Here we were... Face to face with Gippsland again! The only team we'd lost against! There was an amazing energy in the pre game chat... The team were 100% determined & focused!

The boys came out on fire... Rees put in an early goal that Gippsland were definitely not prepared for & gave the SUHC guys a cracking start! Both teams played at an incredible pace. Such an exciting game to watch! It was an epic display of skill, teamwork & determination! The last 5 mins were spent defending Gippy PC's... It was a nerve wracking finish, but our defence were absolutely amazing & refused to let them score!! We won 3-2!! It felt like we'd just won the GF!!

Our next big battle was against Elg Blue. It seemed they had grown a foot taller since the first time we played them!

As most Kew teams are... They were strong through the centre corridor! In the second half we really started to switch the ball around well, opening up the game

and showed how well we can move the ball! It just cut them apart and we got up 2-1!

Our final round was won 4-1 out at Waverley... It was a fun round, knowing we had already secured our second spot on the ladder.

Our first round of finals was against Frankston at Dandenong! The team were pretty nervous, but got into the game quickly... Our defence was really strong and our forwards made sure their circle penetrations had value for entry! It was a great display of team work! As always though, my team likes to scare me! We were 3-0 up with 10 mins to go then, Frankston broke away scoring two quick goals! Thankfully we held the lead winning 3-2!

The Grand final was such an amazing game to watch! Both teams were so good! SU worked so hard to pressure them! Gippsland are a very attacking side, but our defence kept standing up to everything they tried to deliver! We got a PC in the first half that we managed to covert with Riley collecting the rebound & tossing it over the keeper! We held the lead until early in the second half when after a questionable umpiring decision had us all going the wrong way... Gippsland took advantage and managed to convert. Once again it was a fast paced game, with some fantastic displays of skills, linking up, solid defence, amazing deliveries & teamwork! Unfortunately at full time it was 1-1... Sending us into a penalty shoot out! Em who'd just had a ripper game... Did a fantastic job with only 2 out of 5 sneaking past her. Unfortunately we only put 1 past their keeper... Resulting in a 3-2 win for Gippsland. It was an awful way to lose but, an amazing game to watch. Both teams have so much respect for each other & it really could have gone either way!

I am so proud of how they played & how much they improved over the season!

Thanks everyone for a fantastic 2015!

Shantel Blake
