Teams are encouraged to be made up of 7 players (5 on field and 2 subs) and ideally each team will have a mix of girls, guys, adult and junior players. All male adult teams will start with a negative goal difference. Note that teams play with no designated GK and there is no hitting or flicking only slap and sweet hitting allowed.

The cost for entering a team will be \$50 or you can enter as a player/s for \$10 each and we will match you up with other players.

The idea of the Christmas Hockey 5's is to get all sections of the community together to have some fun and get to know each other – it is not only open to SUHC players – everyone is welcome. If you can't play make sure you drop down to watch and have a bite to eat and drink with us.

Email Chris_marr10@hotmail.com to nominate either yourself or a team. Please register before the 10th of December to allow for planning – all registrations will be confirmed.

So what is Hockey 5's?

It's a mix of indoor and outdoor hockey. You get to use all the skills like outdoor hockey (without hitting only slapping) but it is played on a similar size field as indoor hockey. It's played on the traditional hockey pitch but the field is divided up into smaller fields so that you can play more than one game at a time.
