

Women's Senior Coach Position

Southern United Hockey Club (SUHC) is seeking a Head Coach for the Women's Section for the 2013 Winter season. The Women's Head Coach will have responsibility for directing all aspects of the on-field hockey of the Women's Section at Southern United. The ideal candidate will be a progressive thinker with a strong technical and strategic knowledge of hockey and an ability to communicate their vision to the players. The ideal candidate will have coaching experience at State League 1 or 2 or equivalent or at an appropriate representative level.

SUHC is one of the largest Clubs in Victoria, with 5 Senior Women's teams and a strong Junior girls section of 4 teams. In recent years, the Club has put considerable resources into Junior development programs, with the goal of developing a strong playing group of the future. The State league SUHC team was a WSL2 grand finalist in 2012.

A significant part of the coaching role will be to develop and manage player development strategies, in line with overall skill and game education programs. A key component of the education process involves working with and inspiring the young players in the squad and as such, a proven record of working with young people is a necessity.

As head coach for the women's section, they will be expected to communicate their overall vision to the entire playing cohort through direct involvement and via interaction with the coaches and captains of the lower teams. Selected involvement with the Junior section would be expected as part of the long term development of the future Senior players of the Club.

A remuneration package for the successful candidate will be commensurate with qualifications and experience.

Expressions of interest in this position should be forwarded to the Club Secretary.
