Men's Premier League Reserves Coach – Southern United Hockey Club

In 2018 Southern United Hockey Club had a very successful year winning the Men's Premier League title and our MPL Reserves team reaching finals. The Club is now looking to further develop and strengthen its core player base by appointing an outstanding PL Reserves Coach. No doubt the Club is going through an exciting phase and this role will need to work with our talented young players as well as a group of senior players in our Reserves squad. The successful coach will work closely with our MPL Head Coach.

We are looking for someone who will align with our club's values and support our ambition to become Victoria's premier community hockey club.

The role includes:

- Game day coaching
- Preseason and season training twice a week on Tuesdays & Thursdays
- Liaise with and assist the Premier League coach in driving development and success for the club

The successful applicant will have the relevant coaching qualifications along with excellent communication skills and a passion for hockey. They will proactively assist and contribute to the club as well as participate in strategic discussions.
