

Southern United Hockey Club – 2016 Strategic Plan

Strategic plan 2016 - 2023

Draft 0.2 June 2016

Developed by SUHC Committee of Management and
Strategy Sub Committee

Mission

SUHC will provide its members with the best possible opportunity to play and enjoy hockey on and off the field at all levels and be the club of first choice in the south eastern and bayside suburbs of Melbourne.

Vision

Through the ongoing development of its junior and senior players will SUHC will offer the best grades for each level of competition, be a successful premier league club for both men and women, culminating in a premier league championship within the next 5 years.

Key Performance Areas

- Player development & on-field team performance
- Facilities and physical Assets
- Membership involvement and social obligation
- Financial management and governance

About our club (from our web site)

Nestled in Melbourne's Bayside suburbs, Southern United Hockey Club is the largest in the city's south east, and one of the largest clubs in Victoria, fielding more than 40 teams in Juniors, Men's, Women's and Master's competitions.

With home grounds located in the City of Bayside and City of Kingston municipalities, Southern attracts an array of players of all abilities from across Melbourne, as well as interstate and overseas. We offer specialist coaching, spearheaded by our Men's Premier League (MPL) coach Jesse Workman and our Women's Premier League coach Brian Paxton.

The Southern United Hockey Academy, established to fast-track the skills of players in our junior section, also runs during the pre-season under the tutelage of our MPL Coach Jesse Workman assisted by some of our PL players.

Founded following the merger of the Moorabbin Districts and Sandringham hockey clubs in 2006, Southern has established a set of core values that have helped shape a unique identity and culture. We are passionate about hockey, our members and being the best club we can be – on and off the field. This is a vision shared at all levels of the club, from the playing group through to the administration.

We are a family club and invite people from across the community to be a part of the Southern United community.

We are also growing steadily and the current facilities will shortly be insufficient to meet the needs of those wishing to play hockey.

Membership

Southern United’s 2016 membership consists of:

Total Registered Members	548
Adult Playing Members	194
Junior Playing Members (10 – 18 years old)	290
Junior Playing Members (under 10 years old)	60
Non Playing Members (Life Members etc.)	4

In addition, 60 parents, family members and friends have taken out a Hockey Victoria “Supporters membership”, citing Southern United as the club which they support.

A further 60 young children have taken part in Southern United’s six week introductory “Hook in 2 Hockey” program.

A group of up to 50 “Grand masters”, players over 60 years old, also train and play at Farm Road every Friday. These players are drawn from clubs across Melbourne, but the coordination and leadership of this group is from Southern United members.

Governance

The Committee of Management (CoM) consists of President, Vice President, Treasurer, Secretary, and Heads of Mens, Ladies, Juniors and Masters sections, supported by:

- Each playing section has a sub-committee; Mens, Ladies, Juniors and Masters;
- Strategy sub-committee, setting strategy, ground replacement and liaising with Kingston and Bayside councils;
- Retail and funding sub-committee, manages the canteen, hockey shop and fundraising;
- Facilities sub-committee responsible for maintenance and improvements to facilities.

Teams

- Mens, eight teams including Mens Premier League
- Ladies, six teams including Womens Premier League

- Juniors:
 - 16 full field (11 on field) teams, including under 18, 16, 14 and 12 mixed and girls
 - 2 half field (7 on field) teams
 - 60 'juniors playing locally run inter-club hockey.
 - Junior Academy, plus Junior holiday hockey programs.
- Masters, five teams including Mens over 45 A. Associated with 'over 60s' group of 50 players who play at our ground each Friday morning.

Games

37 games each week.

Strengths/opportunities

(a) Playing/on field

- a. Southern United Hockey Academy, seen as one of the best junior development clubs in Victoria, significant contributor of player to junior state sides. Hooked in 2 Hockey 2016 very effective.
- b. Offer Mens and Womens Premier League and also Mixed and Girls Shield teams at all age groups.
- c. Have achieved success largely through junior program and do not have a culture of paying players.
- d. Link to New Zealand based players has proven a strong source of good players.

(b) Strategic

- a. Strong governance, experienced CoM and section committees with significant commercial and financial background.
- b. Outstanding volunteers across many roles outside CoM. Many volunteers make extraordinary contributions.
- c. Strong membership – 550 plus, and good links to 'feeder' schools
- d. Kingston City Council have been a consistent supporter of the club
- e. Good communications – web, facebook, newsletter, team app

(c) Financial

- a. Financial stability, with significant reserves and funding for ground replacement
- b. Excellent long term Platinum Sponsor

(d) Facilities

- a. Long term ground lease for Farm Road and Dendy Street Grounds

Weaknesses/challenges

(a) Playing/on field

- a. Both premier league teams in ‘development’ phase, with very young squads
- b. Southern United has not had a Viking, Viper or Australian representative player at open age level.
- c. Disconnect in sections e.g. Premier, Pennant and Metro are almost three different groups, which mean pathways not clear.
- d. Umpire and officiating numbers and qualifications

(b) Strategic

- a. Challenges with succession for key Management and key Coaching roles.
- b. Difficulty recruiting new volunteers leads to high dependence on existing volunteers.
- c. Member engagement – strong engagement across say 100 members, but other 450 members very much ‘turn up and play’.
- d. No central records repository – information fragmented.

(c) Financial

- a. Second tier sponsors require more development

(d) Facilities

- a. Insufficient facilities (not enough ground time) to adequately train members and also ‘home’ games now regularly played at other club venues.
- b. Grounds management largely dependent upon one individual and limited numbers of ‘trade’ qualified people in club, such that those who volunteer have significant amounts to do.
- c. Pavilion and site shared with Baseball – leads to sub optimal use of facilities and slower development. We would regard ourselves as far more ambitious than Baseball.

Objectives – what do we want to achieve

Objectives for the next five years:

(a) Playing/on field

- a. Premier league finals for men and women

- b. Vipers and Vikings representative players, open age Kookaburra or Hockeyroo representative.
- c. More even representation in adult Pennant competition: Ladies promoted to Pennant A and Men reclaim Pennant B
- d. Grow membership base for 550 to 650.

(b) Strategic

- a. Permanently meet Premier League Entry Criteria
- b. Broader volunteer base
- c. Better integration within and across sections

(c) Financial

- a. Deepen sponsor and fundraising base – add two key sponsors
- b. Sinking fund meets pitch replacement requirements
- c. Accumulate sufficient finances for additional pitch

(d) Facilities

- a. Another hockey pitch – Cheltenham Secondary College
- b. Agree Farm Road Plan with KCC, including Pavilion Development – the premise being that until there is a known plan for Farm Road, SUHC cannot plan for growth, net pitches etc. As a new pitch is a 3-5 year project, the key strategic objective at present is to identify the plan and agree with Kingston City Council, Kingston Sports Club and Baseball.

Development priorities

Priority Areas for Development for the next five years:

(e) Playing/on field

- a. Develop coaching skills and qualification
- b. Develop umpiring and officiating skills and qualification

(f) Strategic

- a. Achievement of HV Premier League Entry Criteria to assure long term PL future
- b. Succession planning – Committees, key volunteers, key coaches

(g) Financial

- a. Deepen sponsor and fundraising base – add two key sponsors

(h) Facilities

- a. Another hockey pitch – Cheltenham Secondary College

b. Agree Farm Road Plan with KCC, including Pavilion Development

Planning process

The 2016-2023 Strategic Plan has been developed by Southern United Hockey Club's Strategy Sub Committee, and [approved] by Southern United Hockey Club's Committee of management. This committee consists of individuals with:

- Owner and senior management experience in food and retail, global financial services, insurance, technology and the public sector;
- Involvement in playing or administering in mens, ladies, junior and masters sections;
- Involvement as players, or parents, of Victorian representative players.

The plan builds upon the 2014-2017 Strategic Plan approved by the Southern United Hockey Club Committee of Management in 2014 and presented to the Annual General Meeting at that Time. Each year, progress against the 2014-2017 Strategic Plan is reported to the membership at the Annual General Meeting.

It was decided to create the 2016- 2023 Strategic Plan, prior to the end of the previous Strategic Plan as the club had achieved many of the goals of the previous plan, and also took advice from Kingston City Council and Hockey Victoria, who suggested a more detailed Strategic Plan.
