

# SUMMER STUNNER

## A HOCKEY HOLIDAY PROGRAM

Here at SUHC we have been running Hockey Holiday programs for a number of years now. They are a great chance for players between 6 and 14 to hone their skills and have a great time while doing it.

Our programs include a great mixture of skill development, small games, fun and a tournament to finish where everyone gets to use the skills they have learnt in a competitive but friendly environment.

Headed by our Premier League Men's coach and assisted by State and national level athlete participants get to learn from some of the best players and coaches the state has to offer.

Everyone is grouped by age or ability to ensure they will get the most out of the program.
